

4. ON COMPLETION OF RESEARCH

- 4.1. The researcher should submit to Ministry of Economy a preliminary report of his/her findings in Bahasa Malaysia or English at least two weeks prior to the expiry date of the duration of the research. Should it be deemed necessary, the researcher will be required to present and discuss the findings.
- 4.2. Before leaving Malaysia, the researcher should return his research pass to Ministry of Economy and obtain a letter stating that he/she has complied with all the regulations. This letter must be given to the authorities at the point of departure.
- 4.3. Should a researcher intend to take any specimen out of Malaysia, approval will be subject to:
 - 4.3.1. Compliance with the Guidelines For The Collection and Distribution of Specimens (**APPENDIX B3**);
 - 4.3.2. The researcher consents that all benefits accrued from the use of the specimen will be notified to the government to ensure equitable benefit; and
 - 4.3.3. Sharing of royalty from any product that is marketed as a result of the use of the specimen.
- 4.4. The researcher is required to submit 3 copies of his final report or publication in Bahasa Malaysia or English together with soft copy as soon as the research is completed. Researchers who fail to submit their final reports to Ministry of Economy will be banned from conducting further research in Malaysia.
- 4.5. Ministry of Economy will co-operate with the relevant institutions to disseminate the findings to all interested parties.
- 4.6. The researcher is barred from raising or touching on controversial issues in their findings/reports (progress, preliminary or final) and/or in papers published on the basis of the findings of the research conducted.
